2018 CATALOG OF UNIVERSITY AUTHORS

This catalog accompanies a celebration of scholarly and creative work at Yeshiva University from April 2017 through March 2018. Fifty-nine individuals—both faculty and staff members—submitted bibliographic and descriptive data about their books, journal articles, poetry, documentary films, music scores, and visual art.

The entries are arranged in alphabetical order by the surname of the contributor. Within entries, the arrangement is in chronological order. An illustration of one key work, whether a book jacket, journal cover, or an image of the visual art itself, accompanies each contributor's submission. Within the citations, if the contributor is the sole author, the name is omitted.

The works listed in the following pages represent the lively discussions and creative vitality among Yeshiva University's faculty and staff members. The 179 bibliographic entries in this catalog serve as evidence of their accomplishments.
