

CATALOG OF UNIVERSITY AUTHORS

OFFICE OF THE PROVOST AND UNIVERSITY LIBRARIES

MAY 2020

Yeshiva University

This catalog recognizes scholarly and creative work at Yeshiva University from March 2019 through February 2020. Fifty-six individuals—both faculty and staff members—submitted bibliographic and descriptive data about their books and book chapters, journal articles, poetry, blog entries, documentary films, music scores, live performances, and visual art.

The entries appear in alphabetical order by the surname of the contributor.

Entries are classified by format (book, book chapter, editor, journal article, blog, performance). Within classifications, entries file in reverse chronological order by year for sole-authored works, followed by co-authored works in alphabetical order. An illustration of one key work, whether a book jacket, journal cover, or an image of the visual art itself, accompanies each contributor's submission.

The works listed in the following pages represent the lively discussions and creative vitality among Yeshiva University's faculty and staff members. Over 189 bibliographic entries in this catalog serve as evidence of their accomplishments.
