YESHIVA COLLEGE FULLY ACCREDITED

Yeshiva College, the only College of Liberal Arts and Sciences in the United States under Jewish auspices, is fully accredited by the University of the State of New York, and is authorized to offer courses leading to the degrees of Bachelor of Arts and Bachelor of Science, and to confer these degrees.

LOCATION and BUILDINGS

Yeshiva College, located on Amsterdam Avenue, between 186th and 187th Streets, occupies two and a half square blocks on Washington Heights, the highest ground of Manhattan Island, New York City. The school building is completely equipped with laboratories, lecture and recitation rooms, libraries, auditorium, gymnasium, student conference rooms, and music and art studios. In addition, there is a dormitory building with large, well-lighted and well- ventilated rooms, completely furnished for the comfort of over two hundred students. This building also contains kitchens, dining rooms and social halls for the accommodation of all its students.

SMALL COLLEGE WITH SELECT STUDENT BODY

Yeshiva College dedicates its energies to the education of groups of Jewish young men who wish to combine modern knowledge and culture in the arts and sciences with the bases of Jewish culture. Yeshiva College is, by design, a small college, making possible the approach to the tutorial system, and maintains that close personal contact between faculty and students which stimulates thought and helps to build character.

EXTRA-CURRICULAR ACTIVITIES

Through the social life of the dormitories, and in many other ways open to the non-resident student, Yeshiva College affords ample

opportunity for furthering the extra-curricular interests of the student. Societies and clubs give scope for enthusiasts in various fields of interest, from current events to science: while the several college publications provide avenues of expression for those inclined toward journalism or literature. The chess team, and the debating team have established excellent records in competition among the colleges of the metropolitan district. These many activities permit the student to consult his inclinations and taste, while joining in association with his fellow-students, to the promotion of good health and fellowship, and the strengthening of those characteristics of honesty and true sportsmanship.

FEBRUARY to SEPTEMBER PLAN

YESHIVA COLLEGE HAS TWO REGULAR SEMESTERS, SEPTEMBER TO JANUARY AND FEBRUARY TO JUNE.

FOR GRADUATES OF ACCREDITED HIGH SCHOOLS ENTERING IN FEBRUARY, YESHIVA COLLEGE OFFERS THE FEBRUARY TO SEPTEMBER PLAN, WHICH ENABLES THEM TO COMPLETE A FULL YEAR OF COLLEGE WORK TOWARDS THE B.A. OR B.S. DEGREE. FRESHMEN ENTERING IN FEBRUARY AND ATTENDING THROUGH THE SUMMER SEMESTER, QUALIFY AS SOPHOMORES IN SEPTEMBER, TAKING THEIR PLACES WITH THOSE WHO STARTED AS FRESHMEN AT THE COLLEGE SIX MONTHS EARLIER.

REQUIREMENTS FOR ADMISSION

Fifteen units of secondary school subjects are required for admission to the Freshman year of Yeshiva College. A unit represents approximately one hour's prepared work a day for a school year.
