T. I. Finals To Be Held This Week
Comprehensive Exams Started Today

Two of the four Comprehensive Teachers are having the class of this week, the Teachers Institute announced. These examinations are prerequisite to graduation and were formerly given once every year, in June. The change this year was made in order to allow the present senior class to participate in the graduation exercises scheduled to be held this May.

Under the previous system, the graduating class would have had to wait any number of years before they could take part in school exercises. However, it was pointed out that this newly instituted system will be in effect only during years in which graduating exercises are held. The examinations, moreover, will not necessarily provide future advantage in classes.

The two examinations being given this week are in Jewish History and Bible, on Feb. 15 and 16 respectively. The Bible exam will cover all of the five books of the Mosaic with commentaries and selected portions from the early and later prophets. The test in Jewish History will be concerned with the History of the Jews from the time of the second commonwealth up to the present.

Simons Throw Kashrer Clampake
In Dorm On Jewish Arbor Day

By "RED" WOOD

Last Wednesday, the dormitory reception hall was the scene of an impromptu party— a party ascertained by Mr. and Mrs. Simon to the trees.

All the Yeshiva students who happened to be in the area were invited to join the Schmidek Amor Ball-Schvart Celebration, according to Mr. Simon.

Despite the fact that most of the guests were unable to attend the Chaima Amor B-Sevant Celebration, strange experiences were taking place in the hall.

Some of those who had not drifted out of the halls previously were quite attentive to the words of speech in praise of Jewish Arbor Day. One of them was heard to mutter the following parody of the famous poem:

"Speeches are made by fools and those who can create trees."

NEW EXECUTIVE FACULTY GROUP ASSUMES DUTIES

Dr. Isaac, Churgin, And Belkin On Committee

PLANS OUTLINED

First Faculty-Student Mixer To Take Place Friday, February 26

The formation of an Executive-Faculty Committee to determine all matters concerning the policy of the Yeshiva College in the future, which consists of himself as chairman, Professor Pinchak Churgin, and Professor Samuel Belkin, was announced by Dr. Simon Lewis last week. The committee has acquired a new member, Mr. Schachter, through the appointment of the new president of the Yeshiva College. Mr. Schachter is to be a member of the executive group and a permanent officer of the college building.

Miss Schachter, according to a special announcement issued by the student body, will be present from 3 p.m. to 6 p.m. on Thursday, and from 10 a.m. to 12 on Friday. It is expected that the committee will be enabled to consult the members of the group on any problem, and plans are being made for the representatives of the appointed committees to be in attendance.

As the activities of the committee are being planned by the new committee, a series of Faculty-Student Mixers to create a closer relationship between the members of the faculty and the college's faculty. The committee will also be responsible for the appointment of the new group.

The first in the series of Mixers is scheduled to take place Sunday evening, February 25, in the Dixie Lounge. It is expected that both faculty members and students will participate in the students who have been appointed to the committee. It is expected that both faculty members and students will participate in the program.

DR. NATHAN KLOTZ TO ADDRESS CLUB

The Hebrew Language in Its Development is the topic of a lecture to be given by Dr. Nathan Klotz, assistant professor of Bible, before the Hebrew Club tomorrow night, at the Dormitory Social Hall.

The recently formed group which opens its second semester of activity with this event, has during the past term sponsored similar activities featuring lectures, discussion and tie-dyed songs.

Bows To Inspired Yeshiva Team

Repeating its previous upsets, Yeshiva defeated a favored City College Evening team 13-20 on the visitor's home court last Saturday night. A masterful team undercoaching made the Blue and White attack and between themselves netted seven goals and an equal number of points.

The first half saw Yeshiva using the "weave" to such advantage that they completely baffled the visitors. This enabled the home team to tally at random. Excellent coordination between the guards and forwards helped Yeshiva to roll up a comfortable 20-6 lead which they held at the half.

On returning to the court, the visitors began to enliven affairs and kept the ball well in the territory. In the first few minutes they scored two goals. Roughness ensued and the recently hired "ref" further smothered Yeshiva's plans of defense by calling 21 fouls against both teams.

In the last quarter Koalovsky led the attack with three goals and tied Avrech for the scoring honors. But the "weave" enabled Yeshiva again scored to forge ahead a minute before the game ended. The visitors coach called a time-out after regular time elapsed, unable to bear the inevitable.

The box score:

Yeshiva
Avrech 4, Koalovsky 3, Gutman 1, Goldberg 1, Goldstein 1,2 Totals . 13

City College Evening (23)
Emerson 5, Lewis 4, Stanislav 3, Fineburg 3, Lemberg 2, Grossman 1,1 Totals . 23

The tennis team was organized four years under the leadership of Jerome Gordon '36. Its expansion since then has been hampered by numerous obstacles, including lack of time and materials. It is hoped that this year heights will be attained by the Yeshiva net-men.

Table Tennis Play
In Quarter Finals

A hard fought victory over Elvin Kosofsky '41 entitled Morris Schnall '40 to be the first to enter the quarter sectional in the current table tennis tournament. The scores 21-17, 21-17 are indicative of the opposition Schnall encountered. Many long volleys, remarkable retrieves, and wholehearted "I am m g" marked the match as one of the finest ever played on Yeshiva tables.

Because of the mid-term intermission tournament play had to be suspended for quite some time. Since the beginning of the new semester, however, play has progressed steadily until now all remaining players are in the round of sixteen contestants.

Library Recipient
Of Generous Gifts

One hundred books from the N.Y.U. Library have been added to the Library shelves this semester. Through the efforts and negotiations of Arturo Zarate, formerly in charge of the Projects of Yeshiva College Library, Isaac Goldberg, librarian, assisted.

The collection is particularly valuable for its additions to the fields of educational, philosophy, and psychology. Numerous requested pamphlets have also been procured.

Embarking on a campaign of increased expenditure to provide for the various departments, the Library bought several books from the New York Public Library. Among the new titles which should prove of interest and value to the general student body are:

"Chesterfield" combines in rare degree qualities you find in no other

Cigarette. In Chesterfield you'll find refreshing mildness... better taste... more pleasing aroma. Its can't-be-copied blend... a combination of the world's best cigarette tobaccos... brings out the finer qualities of each tobacco.

When you try them you will know why Chesterfields give millions of men and women more smoking pleasure... why THEY SATISFY
