OUTGOING GOVERNING BOARD

The speaker, who has been the recipient of the Australian Jewish Year Book for the last 50 years, opened his lecture on the causes of antisemitism in America. He noted that while the world today exists today because of the present economic depression, he declared.

Mr. Schindler continued his speech with a statement that American Jews can do very little to eliminate it from Europe. However, he suggested that the situation in America might be alleviated by a system of mass education through which all misconceptions about the Jews would be gradually eradicated.

Mr. Schindler, along with Dr. Edward Hirsch, will be guest speaker at the organization next year.

T.I. Graduation To Be Held On May 28

The two seminars, covering the most vital problems, will consist of three parts: the first, under the chairmanship of the chairman of the alumni association, the second, under the chairmanship of the alumni association, and the third, under the chairmanship of the alumni association.
we are looking forward to the day when a capacity audience will be a matter of routine rather than a total surprise.

Appoasement

Pseudo-democratic Britain whose benevolence in the past has been for the most part questionable, has again betrayed the Jewish people. World Jewry is buzzing with vehement protestations following the affirmed rumor concerning the contents of England's White paper. This system entails the laying up of an independent Palestinian state with the Jews occupying the position of a permanent minority.

The English Cabinet has announced the acceptance of a report on British Guiana. The report places considerable hope in that forlorn jungle with its insurmountable difficulties, as a permanent settlement for Jewish refugees. Three thousand young men, men and women alike, fleeing from the hell that is Central Europe are expected to experiment with the Guiana swamps—one mere guinea pigs in the hands of a snickering and perfidious Albion.

No matter what amount of effort the English government expends, it will be unable to conceal those political subterfuges that motivated her recent action. She is obviously attempting to checkmate the Balfour Declaration by setting up a ghetto in a Jewish state, thus ending Zionism as a living growth.

Even those few veritably stalwart supporters of Zionism in Parliament have not appraised the movement with the vital and not substantive. Little do they comprehend the whole of Jewish expansion of colonial settlements, cooperation in economic enterprises, and immolation of personal sacrifice on behalf of Jewry. Even less thought is given to Palestine as a center of activity for Israel's untold adventures, heroisms, and martyrdoms.

Fever in the heart of Europe has an additional problem. The people committed the Jewish State of our faith not in the disheartening fact that many members of this important organization have not, as yet realized to the fullest extent their position in Yeshiva life. It also manifests the potentialities of a fairly united and revitalized force working from without in correlation with those functions within. Most encouraging of all, however, is the rendering of an inestimable service to the institution through the contribution of three full scholarships for the coming year, thus indicating the link between the two functions not so tightly intertwined.

Despite the widespread competition offered by the World's Fair, a Mirraichi convention and Mother's Day, the leaders of the organization succeeded in publicizing the affair quite adequately. The insincerity and apparent lack of interest on the part of the absent alumni, however, did not fail to smolder and fester away in the body too highly. Although from this point of view, the graduates have once again shirked from their duties towards the alma mater, nevertheless, it is their concern and elevated and intensified cooperation, among every individual alumni and
NETMEN GENERATE INITIAL VICTORY

Defeat Essex In Close Match, 5½-3½

By HENRY MARGOLES

Tennis victory for the first time in its history by the student bocla, white team triumphed over Essex at the New Governing Board's Autumn Tennis Tournament at the University of New York.

The only team to score an upset, the white team defeated the red team and captured the title of champion. The match was held on the courts of the university.

The match was a hard-fought battle, with both teams demonstrating their skills and abilities.

KOSLOVSKY REELECTED

Irving Koslowky '40, who had previously held the position of president of the university, was re-elected to a second term. Koslowky had been a consistent leader in the bocla tournament, and his re-election was a testament to his dedication and leadership.

ATH. MGR. NAMES AIDES

The appointment of Milton Kramer '41 and Sidney Reise '41, both outstanding athletes, to the positions of athletic manager and assistant manager, respectively, shows the university's commitment to athletic excellence.

Juniors, Sophs Will Hold Joint Boctide

All members of the student body have been invited to attend the outing. Tickets may be procured from Philip Gorodetzky '40, Leonard Aparo '41, or Mark Kooskey '41.

SOPHIS' LEAD CUT IN INTRA-MURALS

Juniors Now Trail By One-Half Game

The sophomores retained their intramural tennis leadership despite a 1-0 setback suffered against the hand of the juniors in a thrilling pitcher's battle. Superb hitting by Koslowky '40, an all-star junior, and Wohl's wellestated, costly error, all contributed to the soph's lone defeat.

In an exciting double headed, played last Wednesday at the Eastwood Tennis Park, the sophomores combined timely hitting with steady fielding to take both contests from the seniors: 5-2, 5-0. The games were featured by Bobovitz's effective pitching, Kooskey's powerful slugging, and "Tiny" Toller's three-run hommer in the nightcap.

The juniors continued their winning streak by defeating the freshmen in a free hitting game, 5-1, Saturday Saturday. The seniors, last year's champions, forfeited the match when they failed to report.

Mr. Price was followed by Dr. Moos L. Isaac, assistant to the president, who briefly reviewed the achievements attained by the college during the past year and expressed his hope for the continued cooperation of the alumni in the school's activities.

The entertainment at the dinner consisted of several musical selections offered by Cantor Samuel Seldman of the East Flatbush Jewish Center and two Yiddish monologues by the famous Yiddishist, Mr. Sidney Talmage.
