Deutscher Verein Being Organized

Plans for the Deutscher Verein this winter semester are now being formulated. Dr. Ralph P. Schwartz, assistant professor of German, announced that all those students having a knowledge of the language are interested in undertaking are to be invited to state their names and addresses or dormitory room numbers in Dr. Reubin Willig’s office.

Only a rudimentary knowledge of the language is necessary since the organization's purpose is to bring the students of Yeshiva in contact with German in a social setting.

Orthodox Teachers To Hold Conclave

The initial meeting of the National Conference of Orthodox Jewish Educators will be held at the Hotel Commodore on November 23, 1940.

At the first meeting of the afternoon, the presidents of Orthodox Jewish educators, many of whom are graduates of the Teachers’ College, have been established by Student Council. The importance of such a committee at Yeshiva is self-evident, and therefore, as soon as we have completed our task for this day, we will hold the second session, and thereby establish the strong and permanent ties which will enable the members to collaborate closely with the college committee," I. H. Weisz, former secretary of the Association, declared.

Yeshivites Join In Defense Program: Survey Of Science Majors Is Made

Yeshiva swung into step with the national defense program in numerous lines of action during the past few weeks. The registrar’s office is compiling a list of science majors from among present students, last year’s graduates, and faculty members who are interested in entering the service in the scientific and professional fields. The list will be used by the University in determining the selection of scientific personnel for the United States.

Dr. Alexander A. Freed, lecturer in physics, was appointed to the post of a science advisor in the United States. He will serve in this capacity during the present year.

Mr. Abram Levis reminded these students that all those interested in the program can secure this information by examining the summer catalog, which is available at the Yeshiva Bookstore.

Franklin D. Roosevelt has been re-elected. The cheering and the whistling have by now already abated. The jubilant crowds have long since ceased their raucous enthusiasm for the momentous events of an annual election.

The voting population between the two major candidates shows quite conclusively the.

**ON THE SIDELINES**

**WHEN A BE KARP**

The "Len Bates affair" has terrifically interested the bread of fans. The seniors, who had twice captained the intramural champion football team, were outplayed and outscored by a plucky frosh five. It was a rough and tumble fray from the very beginning as both teams gave their all for those precious points. A lay-up shot by Abe Hartstein gave the frosh a 2-0 lead at the start, and the scrappy frosh didn't relinquish their lead thereafter. The first period saw no more scoring, but during the second the frosh counted for five tallies to the seniors' two, bringing the score at the half to 7-2 in the freshmen's favor. Awakened from their second half slumber, the seniors came back strong to turn the hereofore runaway game into a nip and tuck contest. Led by Harry Forinmutter who tallied six points, the seniors scored nine points to the frosh's five to lose by a single point, 11-10.

Kaplan, Hartstein and Friedman starred for the frosh, while Forinmutter, Kosofsky and Flar were the mainstays for the seniors.

**Fast Frosh Vanquish Senior Five**

**Kaplan and Hartstein Lead Yearlings In Hard Fought Game**

Youth again won out over age as the fast upsets a favored senior quintet 10-11, in the initial contest of the current intramural season. The seniors, who had twice captured the intramural championship were outplayed and outscored by a plucky frosh five.

**Intramurals**

The schedule for the remainder of the basketball games, as announced by Julius Selden '42, calls for the following games:

Nov. 7—Soph. vs. Juniors.
Nov. 14—Seniors vs. Juniors.
Nov. 16—Freshmen vs. Soph.
Nov. 21—Seniors vs. Soph.

If time permits, a second round of playoffs will be played. This will be announced by the manager of intramurals at the end of the above scheduled games.

If any disputes arise, a written petition to that effect should be given to Julius Seloden, at least two days before the scheduled time by the athletic manager of the class involved. All class teams are urged to be prompt in reporting their game, for failure in doing so may result in the forfeiture of the contest.

**Esquire' Garments Acquired By Team**

"Gawsh, ain't they purty," drawled the connoisseurs of the game, but dissent ran high in none other than its Janet. "Now I'll have to keep off the floor, or my laundry bill will rise the national debt." He exclaimed anarchy, turning his vales to brush off the effect of contact with the floor.

Oh yes. The cause of this uproar—the team has new togas. (They've been paid for, too!)

Jackets, jersey and shorts all done up in pretty in royal blue and white—with stripes too.

Now here's how to see this beautiful array:

1. Grab a basketball ticket from one of the fellers peddling them.
2. Bring it with you to the first pre-season game, this Sunday evening, Nov. 18.
3. Go let's all meet down the gym, and give the game and their new play suits the real once over.

And, incidentally—see a good basketball game.
